golf outing 2017

The 14th Annual Electric League Scholarship Fund

June 19, 2017
Edgewood Country Club
Churchill

For well over 30 years

the Electric League has hosted an all-industry golf outing bringing together engineers, architects, manufacturers, reps, distributors, and more for a day of industry networking, golf and camaraderie.

Through your support, the Electric League Scholarship Fund has given over \$100,000 in financial assistance to graduating high school seniors whose parents are in the local electrical community. Our connection to the future of the electrical industry and the region is most important and the scholarship fund hopes to ensure our strong future.

Don't miss the fun!
